Annual Report Narrative #1

We continued to focus on outreach for graduation. Our increased attention to community involvement for FAFSA nights proved to be the right move to increase the graduation rate. We will continue to put effort and attention on attendance and on Kinder to 3rd grade to see 3rd proficiency rise.

Academic Progress

School Goals

*Submission optional for this section.

Annual Report Narrative #2

Discuss at least one Outcome where you have seen challenges or barriers to implementation.

Attendance will always be a focus of the charter. We suffered a significant loss of a child in our community last year. This had a significant impact on our overall attendance. We have made additional plans to work with TAPP for assistance with attendance overall.

Annual Report Narrative #3

2024-25 Only: Describe how activities are supporting progress towards targets and if any shifts in strategy implementation are planned for the future based upon that current progress.

We continue to struggle with administrative turnover that directly impacts the focus of our school and how teachers receive professional development. We are working on a PD plan and have signed up for ODE teacher training. We are more explicit this year with the goals for teachers and evaluations to help encourage growth. We are needing to improve in all areas.
